ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). Members now have 2 minutes remaining on the clock.

□ 1725

So (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PRIVILEGED REPORT ON RESOLUTION OF INQUIRY TO THE ATTORNEY GENERAL

Mr. CONYERS, from the Committee on the Judiciary, submitted an adverse privileged report (Rept. No. 111-378) on the resolution (H. Res. 920) directing the Attorney General to transmit to the House of Representatives all information in the Attorney General's possession regarding certain matters pertaining to detainees held at Naval Station, Guantanamo Bay, Cuba who are transferred into the United States, which was referred to the House Calendar and ordered to be printed.

787 DREAMLINER'S FIRST SUCCESSFUL FLIGHT

(Mr. DICKS asked and was given permission to address the House for 1 minute.)

Mr. DICKS. I want to inform my colleagues today that out in the great State of Washington, in RICK LARSEN's district, today the first 787 Dreamliner did its first successful flight.

This is one of the great airplanes built in the United States by the Boeing Company. I want you to know it was built without any launch aid. Not like the A330 that received \$5.7 billion in launch aid, this plane was built the old-fashioned way: Boeing put the money in the pot and built the plane, and it flew today.

As we get into the discussion on tankers later this year, I just want to remind everybody that the A330 received \$5.7 billion in subsidy. I think it's wrong. I think we need to go back to the World Trade Organization and make sure that they follow through and make sure that the Europeans stop subsidizing all these Airbus aircraft.

Boeing is a great company in the Pacific Northwest. I'm proud of the 787. There are over 900 orders. And it's a great airplane.

ANIMAL ANTIBIOTICS

(Mr. MORAN of Kansas asked and was given permission to address the House for 1 minute.)

Mr. MORAN of Kansas. Madam Speaker, there are those in Congress

who want to restrict antibiotic use in animal agriculture. They overlook the good these drugs do to improve both animal and human health. If animal antibiotics are restricted to only treatment of already sick animals, animal disease and death can be expected to increase, while decreasing the abundance and safety of our food supply.

When Denmark banned antibiotics for growth promotion in pigs, animal deaths and disease rose, requiring the use of more drugs for therapeutic purposes. Meanwhile, there was no improvement in human health.

Potential increases in the occurrence of food-borne illnesses in the absence of animal antibiotics are another concern. An Ohio State University study found that pigs raised outdoors without antibiotics had more exposure to food-borne pathogens than those raised in confinement.

Use of animal antibiotics should be determined by a scientific, risk-benefit analysis, not an arbitrary ban devised by politicians.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H. RES. 648

Mr. DOGGETT. Madam Speaker, I ask unanimous consent to remove my name as a cosponsor from H. Res. 648.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

IMMIGRATION REFORM

(Mr. POLIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POLIS. Madam Speaker, our constituents across the ideological spectrum have told us that our immigration system is broken and it is our responsibility to fix it. Well, we in the United States Congress have taken the first step today with the introduction of a comprehensive immigration reform bill.

This bill would strengthen American families. This bill would stop the undermining of our laws by the presence of 12 million undocumented immigrants. This law will protect our borders. Immigration reform is good for business and good for workers.

Our constituents have made their opinions clear. They are tired of the lack of action in Washington, D.C.

I encourage my colleagues to join me in cosponsoring comprehensive immigration reform to help make America stronger and maintain the integrity of our laws and our Constitution within our borders.

READY MIXED CONCRETE COMPANY DEMONSTRATES ENVIRONMENTAL EXCELLENCE

(Ms. FOXX asked and was given permission to address the House for 1 minute.)
